Von Catherine Winchester : The Lady and the Cowboy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lady and the Cowboy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Light readingVon Kindle JunkieThe story of Ruth Adams and Sam Wakefield is entertaining. From the beginning there are some predictable scenes - she is condescending upon their first meeting, not knowing who he is. His momma readily

accepts her - you can be sure she'd like to try her hand at matchmaking. Sam is wary of what Ruth is doing there, as can be expected when a strange woman shows up on his ranch. Ruth, however, works hard on the ranch, a big adjustment for her. Ruth is disturbed by his method of breaking in a horse; he at first can't imagine she knows anything about training horses, but is soon taught otherwise. Overall the story is well-written and edited. However, I highly doubt "s*** happens" was said in the period. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Cowboys are the best Von Renate H. Eine englische Lady verpflanzt sich selbst in den Wilden Westen. Das könnte eine herrliche Geschichte sein. Ist aber leider nur eine nette Story geworden. Was mir gefehlt hat, ist die Situationskomik. Obwohl das Buch gut geschrieben ist, sind mir die Charaktere nicht ans Herz gewachsen, es hat mich nicht "mitgerissen". Ev. sind andere Bücher der Autorin besser, aber dieses Buch werde ich sicher nicht nochmals lesen.

Kurzbeschreibung When Lady Ruth Adams inherits a share in a Texan horse ranch, she thinks it could be the beginning of a whole new life for her and ignoring her family's misgivings, she sets sail for America. When she inadvertently argues with her new business partner on her first day though, things don't look hopeful. Sam Wakefield doesn't know what to make of the refined and timid woman who now shares his house along with his mother. What he does know, is that he much prefers the firebrand who confronted him the first time they met, and he can't help antagonising Ruth in the hope that she'll resurface. Ruth is just about ready to give up on her dream when her beloved horse, Angel, arrives from England and Sam realises that they may have more in common than he thought. Angel could prove to be the key in reviving his dreams of one day breeding racehorses, while the one place that Ruth isn't timid, is in the saddle. As they come to trust each other, Sam teaches her about ranch life and love but someone else has their eye on the Wakefield Ranch, someone who could ruin everything for them.
