Von Kate Morton : The Lake House (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lake House (English Edition):

Kurzbeschreibung The Lake House by Kate Morton is the mysterious and enchanting fifth novel from the number one bestselling author of *The House at Riverton* and *The Secret Keeper*. A missing child . . . June 1933, and the Edevane family's country house, Loeanneth, is polished and gleaming, ready for the much-anticipated Midsummer Eve party. Alice Edevane, sixteen years old and a budding writer, is especially excited. Not only has she worked out the perfect twist for her novel, she's also fallen helplessly in love with someone she shouldn't. But by the time midnight strikes and fireworks light up the night skies, the Edevane family will have suffered a loss so great that they leave Loeanneth forever. An abandoned house . . . Seventy years later, after a particularly troubling case, Sadie Sparrow is sent on an enforced break from her job with the Metropolitan Police. She retreats to her beloved grandfather's cottage in Cornwall but soon finds herself at a loose end. Until one day, Sadie stumbles upon an abandoned house surrounded by overgrown gardens and dense woods, and learns the story of a baby boy who disappeared without a trace. An unsolved mystery . . . Meanwhile, in the attic writing room of her elegant Hampstead home, the formidable Alice Edevane, now an old lady, leads a life as neatly plotted as the bestselling detective novels she writes. Until a young police detective starts asking questions about her family's past, seeking to resurrect the complex tangle of secrets Alice has spent her life trying to escape...*Pressestimmen* "Morton's moody, suspenseful latest is the perfect page-turner for a chilly night." -- *People Magazine* *The Best Books of the Fall (The Lake House) (People)* "...a rich and almost magical good old-fashioned tale...a fabulous addition to her work...whisks the reader away into another world...The Lake House is the perfect read for cold, dark nights" *Ft.
