Broscheit Ich bin erst vor Kurzem auf dieses Sub-Genre der Fantasy Romane gestoßen. Ich muss sagen Eden's Gate The Reborn: A LitRPG Adventure von Edward Brody, hat mir besser gefallen. Zunächst ist die

Kindle Ausgabe nicht wirklich für den Kindle angepasst, es werden für den Zeichensatz verschiedene Farben (nicht nur Schwarz) verwendet und einige Abätze sind auf dem Paperwhite nur mit Mühe zu lesen. Auf einem iPad (mit der Kindle App) liest er sich besser. Die Story selbst ist gut durchdacht, ich fühlte mich ein wenig in die alten Pen-&Paper-Rollenspielzeiten versetzt. Nur ohne Spielleiter und mehr wie in einem Spielfilm, der Leser folgt dem Protagonisten in eine neue Welt, in der die Mechanismen eines RPG gelten. Insgesamt durchaus spannend, nicht ohne Humor und die Charaktere sind gut angelegt, der Held hat das Potential für eine Sympathiefigur. Bei Eden's Gate ist die Hintergrundgeschichte nur um einiges komplexer (bisher), bei The Land entwickelt sich die Geschichte bisher rein stringent, Held versucht Punkte zu sammeln und stärker zu werden, dabei kommt er herum und lernt sich, seine Fähigkeiten und andere Wesen kennen. Für mich ein wenig zuviel Charakterbogen Betrachtung (nicht nur sein eigener) und leider bisher keine Nebenhandlungen (bis auf den Prolog), die Geschichte hat aber Potential. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Das Abenteuer wartet! Von Paul S. Der Anfang eines Fantasy Epos das seines gleichen sucht. Ich habe diesem Buch deshalb 5 Sterne gegeben weil es mich so gefesselt hat das ich innerhalb einer Woche alle 6 erschienenen Titel gekauft und gelesen habe. Wer gerne RPG Spiele spielt aber einfach nur das Abenteuer einer guten Geschichte erleben will ohne selber Gründe zu müssen. Der ist hier genau richtig Aleron Kong hat hier wirklich was ausgezeichnetes vollbracht. Auf weitere gute Teile dieser Geilen Saga! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicely done Von David DeSouza Imaginative, well written, keeps the reader in suspense. Other books pretty cool too. Looking forward to the rest of the series

ber den Autor und weitere Mitwirkende Aleron Kong has been reading sci-fi and fantasy for basically thirty years. Like many of you, he cut his literary teeth on the greats, Raymond E Fiest, Piers Anthony, Terry Goodkind, Dragonlance Chronicles, Robert Jordan, and Octavia Butler. He is also an avid consumer of more recent names, Brent Weeks, Kim Harrison, and Brandon Sanderson. In 2015, Aleron Kong discovered a new genre called LitRPG (Literature Role Playing game). It was the style of writing he had been waiting for. LitRPG was an amalgam of video games, world building and fantasy. After devouring every book in the genre, he decided to finally indulge what had been a lifelong personal fantasy, writing. Aleron toyed with the idea of writing for years, and had finally found my particular niche. His primary goal was, and still remains, to write a story that he would like to read. He says often that he is humbled and delighted that others join him in his world. Aleron is a physician of internal medicine and practices medicine in his favorite city of Atlanta, Ga. In his own words: "I am still loving the process! If you keep reading, I'll keep writing! Peace, love and the perfect margarita!"
