"Blue Flowers" = Life, Love Beauty Von Ein Kunde This charming fairytale by the author of the beloved _Secret Garden_ is not just for children, but is a kind of "spiritual tonic" for folks of all ages. Ever since discovering HJKramer's magical edition, I have turned to _Blue Flower_ during times of spiritual or physical depletion and have always felt uplifted

and enlivened by its positive message and exquisite artwork. The book came to me in a strange, "Heaven-directed" way, during a time of immense grief over the death of a relative. I was ripe for its insightful messages that, "If you fill your mind with a beautiful thought, there will be no room for an ugly one"; and "There is no time for anger..." I have always been bolstered by this particular edition, so gracefully illustrated by Judith Ann Griffith, and over the years have gifted a few special souls, adults and children alike, with copies of this delightful book. The "blue flowers" at the heart of the story have gradually become a sort of shorthand-code between me and cherished friends/relatives; and on special occasions, we sometimes exchange "blue flowers" as a colorful reminder of truths taught in Frances Hodgson Burnett's tale. The "blue-flower code" is simple and speaks directly to the heart, saying, "We choose love, life, and joy over fear, bitterness, and grudges." (Given current global upheavals and conflicts, maybe certain folks in High Places would do well to read this little book and internalize its simple truths.)_The Land of the Blue Flower_ is very enthusiastically recommended for hearts of all ages, and Kramer's gorgeous edition is sure to become a family favorite. 2 von 2 Kunden fanden die folgende Rezension hilfreich. An enchanted story which affirms beauty and life. Von Ein Kunde Though the story carries a brilliant message of hope for us all, if we can affirm our connection with the earth, it is the lovely illustrations that bring home this heart-felt promise. On almost every page of this classic tale the artist has embellished the authors words with delightful and imaginative representations of the story. For a timeless message of hope treat your children and yourself to this book. 1 von 1 Kunden fanden die folgende Rezension hilfreich. ein sehr schnes Mrchen Von hbein sehr schnes Mrchen, straff geschrieben, klar und anrhrend. Burnett schreibt gut, vorwrts gerichtet, dadurch kommt keine Langeweile auf. Dem entsprechend liest sich dieses Buch.

Before that time it was called King Mordreth's Land, and as the first King Mordreth had been a fierce and cruel king this seemed a gloomy name.
