**Von Laurie R. King : The Language of Bees (A Mary Russell Sherlock Holmes Mystery)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Language of Bees (A Mary Russell Sherlock Holmes Mystery):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Language of BeesVon Norma Kleen-lewisLanguage of Bees (Mary Russell Mystery 09)Obwohl die Idee, dass

Sherlock Holmes mit Irene Adler liiert war, keine Neue ist und meiner Meinung nach nicht gerade getreu der Figur von Conan Doyle ist, kann man den Roman als kurzweilig und unterhaltsam einstufen. Er ist nicht der Beste, den King bisher schrieb und endet leider mit Fortsetzung folgt... Auch das Ende passt nicht zu Sherlock Holmes, aber King's Holmes ist eben weniger verstandsbetont. Für King fans der Holmes Reihe ist der Roman (und hoffentlich auch die Auflösung des Falls) befriedigend. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Laurie R, King Von Litzlein Wer die früheren Bücher der Autorin über Sherlock Holmes und Mary Russell gelesen hat, freut sich, die beiden wiederzutreffen. Der Stil ist unverwechselbar, wie die vorigen Bücher angenehm zu lesen, auch die Spannung kommt nicht zu kurz. Holmes zeigt sich in diesem Buch allerdings von einer äußerst kühlen, teilweise ruppigen Seite, was dem Leser jedoch vom Inhalt her verständlich erscheint. Es ist es wirklich ein Fortsetzungsroman, man warte gerne, wie's weitergeht - die Fortsetzung wird ja auch am Ende angekündigt. Alles in allem: durchaus lesenswert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Laurie's the best! Von Wendy Meenenga Once again, just couldn't put her book down - thank goodness for rainy Sundays!

Kurzbeschreibung The New York Times Bestseller. For Mary Russell and her husband, Sherlock Holmes, returning to the Sussex coast after seven months abroad was a delicious anticipation. There was even a mystery to solve - the unexplained disappearance of an entire colony of bees from one of Holmes's beloved hives. But the anticipated sweetness of their homecoming is quickly tempered by a bitter memory from her husband's past. Mary had met Damian Adler only once before, when the promising surrealist painter had been charged with - and exonerated from - murder. Now the talented and troubled young man is enlisting their help again, this time in a desperate search for his missing wife and child. From suicides among the Standing Stones to a bizarre religious cult, from the demi-monde of the Caf Royal at the heart of Bohemian London to the dark secrets of a young woman's past on the streets of Shanghai, Russell will find herself on the trail of a killer more dangerous than any she's ever faced - a killer Sherlock Holmes himself may be protecting for reasons near and dear to his heart. Pressestimmen 'Historical fiction doesn't get any better than this' Denver Post Kurzbeschreibung The New York Times Bestseller.
