Beautiful New WorldVon StephNo one builds a world like Glenda Larke. She hasn't just created one new culture here, she's created several; and while you can recognize hints of places like the Netherlands and Southeast Asia, they aren't

identical. Most importantly, they've got their own magic. Of course, Ms. Larke's characters are no less wonderful than her world. No one is one-note, no one's all good, no one's all bad, everyone has a motivation all their own, which makes every point of view exciting to read.

Kurzbeschreibung FAITH WILL NOT SAVE HIM. Saker looks like a simple priest, but in truth he's a spy for the head of his faith. It's a dangerous job, and more lives than merely his own depend on his secrecy. When Saker is wounded by a Lascar sailor's blade the weapon seems to follow him home. Unable to discard it, nor the sense of responsibility that comes with it, Saker can only follow its lead. It will put him on a journey to strange shores, on a path that will reveal terrible secrets about the empire, about the people he serves, and likely lead to his own destruction. The Lascar's dagger demands a price, and that price will be paid in blood. **Pressestimmen** Outstanding all the way to the last word -- Elizabeth Moon **Werbetext** The start of a brand new epic fantasy trilogy from Glenda Larke, author of the Stormlord series - full of scheming, spying, action and adventure. Shortlisted for the Aurealis Award and the Ditmar Award for Fantasy.
