Kurzbeschreibung
We cannot run
We cannot hide
We will not beg
For two bloody years Battle Fleet has fought to hold back the Nameless... and failed. Assault upon Earth is now inevitable. The men and women of Battle Fleet must ready weapons that have fallen short so many times before and prepare for a last defence of their homes. Only one thing is now certain, from this battle there will be no retreat, for this time, there is nowhere left to retreat to.
