Soft Romance mit LebensweisheitenVon Hana-sanGute Erzhlweise mit Suchtgefahr, sympathischen Figuren und einem riesigen Haufen Problemen. Man kann lachen, mitleiden und mitgenieen. Bis auf ein paar kleine Schwchen wie der eher auf der Strecke gebliebenen Persnlichkeitsentwicklung von Cory in meinen Augen, hat der Autor hier eine gute

Arbeit geleistet! In diesem Buch steckt eine Menge drin, verpackt in eine se Liebesgeschichte, also holt sie euch, das Ding ist seinen Preis wert.

KurzbeschreibungRetts done some running away in his life, from family and from boyfriends, and hes not above doing it again. His current boyfriend wants to take their relationship to the next level, which makes Rett hesitant and doubtful. Luckily, a job offer in a new town solves his problem for him, giving him the perfect excuse to run away yet again from the uncomfortable feeling of someone trying to get close to him, even if it means picking up after seven years of school and starting over. Most guys would kill for his new job, and Retts certainly desperate for the paycheck. But the irony of the new position isnt lost on him hes never cared a whole lot for sports, and even far less about the world of professional sports, which is right where hes landed. Then he finds out hes not the only one thats new to pro sports, and he gets closer and closer to one of the players as they try to make sense of the whole crazy thing together. And things seem good! But when his family, whom he had long since left behind, shows back up with a family crisis, his life starts to unwind and Rett allows everything around him to painfully self-destruct. Its only then that he realizes hes got to get back up, stand his ground, and teach himself the one thing he never truly learned growing up. Hes got to stop running away and finally learn what it really means to be a man.
