Von Mary Stewart : The Last Enchantment (Arthurian Saga) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Enchantment (Arthurian Saga):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Engaging and Exiting!Von ElisabethHaving never read anything about Arthurian legend, I was hesitant to pick my first introduction to it. I feel that I chose wisely in Mary Stewart's trilogy. Her writing will draw you into the story, and each book assumes you have little to no knowledge from the previous books (which was great for me, it helped to hear

some of it again). I just found myself wishing afterwards there could have been a little more romance! However, I guess these books were more about Merlin, not Arthur or Guinevere. Another confusing aspect is that some of the more familiar names have been changed, and some are repeated. Having no base knowledge of the legend this was slightly confusing for me. Anyway, these books are highly enjoyable and I would definitely recommend them.

Von Ein Kunde
Dies ist der dritte Band der Merlin-Trilogie von Mary Stewart. Er beschreibt die Zeit nach der Krönung - jeweils aus Sicht von Merlin, dem Propheten und Zauberer. Alle drei Bücher sind sehr gut geschrieben, aber wenn man sie am Stück liest, stoeren staendige Wiederholungen und Erklärungen der Geschehnisse aus den ersten Bänden den Lesefluss in "The Last Enchantment". Viele in das zum Zeitfenster des Buches passende Ereignisse werden dagegen nur sehr knapp abgehandelt, zum Beispiel die Gründung der Tafelrunde. Dies wird natürlich unter anderem auch durch die Erzählung aus Sicht Merlins begründet, der im Alter langsam seine seherischen Fähigkeiten verliert. (Dies ist eine .de an der Uni-Studentenrezension.)

Von Ein Kunde
I have always been disappointed by so many author's summary disposal of Merlin. For such an interesting, mighty figure, he is generally accorded little dignity in regards to his end. Not so in "The Last Enchantment," the best book in Mary Stewart's Merlin Trilogy. FINALLY Merlin is given the respect he deserves. Also, I really enjoyed Ms. Stewart's portrayal of Nimue--the love affair between her and Merlin was incredibly touching, a scene I often find myself flipping back to. And the ending...well, I won't spoil it. I'll just say...it was perfect. This is a wonderful book.

Kurzbeschreibung
By land and water shall it go home, and lie hidden in the floating stone until by fire it shall be raised again.
Arthur has raised the sword and claimed his birthright as High King of Briton, determined to unite the many tiny kingdoms that make up his country. Now he sits upon his throne at Camelot with Merlin by his side, his most trusted adviser. But Merlin is growing old, and his sight is dimming. He knows that Mordred, child of Arthur's unknowing union with his half-sister Morgause, will be Arthur's downfall. But he cannot see the future clearly enough to know why, or how - or when. And he's distracted: his gifted young apprentice, Niniane, is more than meets the eye. As Merlin teaches her to control her powers, he seems to lose his own.
Merlin has secured Arthur's place in history. Now he must take his own.
The Arthurian Saga, begun in *The Crystal Cave*, *The Hollow Hills* and *The Last Enchantment* continues in *The Wicked Day*, the story of Arthur's last battle...
Pressestimmen
An absorbing and haunting novel (Daily Mail)
A fascinating novel, a richly woven tapestry presented with a vividness that brings the characters from myth to real life (Evening Standard)
Mary Stewart, enchantress . . . an ability to evoke a situation, a mood or a season with a few phrases of prose that are almost verse (Daily Telegraph)
A perfect trip out of the present. (New York Times Book)
Werbetext
The story begun in *The Crystal Cave* and continued in *The Hollow Hills* reaches its climax in *The Last Enchantment*, the final story of Merlin in Mary Stewart's beloved Arthurian Saga.
