Von Pauline Baird Jones : The Last Enemy (The Lonesome Lawmen Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Last Enemy (The Lonesome Lawmen Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Last

Enemy-- A Must Read
Von Bryan Baird
Given the fact that the author is my sister-in-law, my review may seem biased. However, it is my considered opinion, that this is Pauline's best work yet. The plot carries the reader rapidly to the conclusion. The characters are timely and believably human though intriguing enough to capture the imagination. It is a must read for any who enjoy plenty of action and with a measure of romance thrown in. I give it four stars, because each of her books is better than the last, and I sincerely hope this won't be her last!

Von Sharon K. Garner
I just finished The Last Enemy. Now, I'm going back and start reading it all over again. It's that good--a keeper, an annual read. I was so caught up with the characters, so enmeshed in the plot, that I absolutely dreaded the coming climax. I found myself shaking in anticipation--I was wise to get a head start. As a writer I appreciate the pure talent and sheer hard work it took to create The Last Enemy. I want to write like that when I grow up.

Von Marilyn B. Taylor
You must read this book! You won't be able to put it down, I promise! It has it all - romance, tension, humor, excitement. Wonderful characters - would make a wonderful movie!

Kurzbeschreibung
A witness on the run. A marshal on the hunt. They'll need to trust each other to avoid a hitman's crosshairs
Dani Gwynne is a lone witness with the power to put a killer behind bars. Making it to the trial alive is the romance author's sole purpose after the haunting death of her son. But when her safehouse is compromised, she takes to the streets of Denver in a last-ditch effort to survive
Deputy US Marshal Matthew Kirby is the only thing standing between an innocent woman and a ruthless killer. Tracking her down in the sprawling city was supposed to be the hard part, but winning the intriguing woman's trust is a new level of complicated. Things get even more complex as burgeoning new feelings put both of them in more danger than they ever thought possible
The Last Enemy is the first book in a series of suspenseful mysteries with a dash of romance. If you like fast-paced action, relationships worth rooting for, and witty dialogue, then you'll love the first book in Pauline Baird Jones' captivating Lonesome Lawmen series. Buy The Last Enemy to climb into a mile-high mystery today!

Synopsis
Thriller/Suspense: Two men need her. One needs her dead. Betrayed by those who were supposed to protect her, romance author Dani Gwynne is plotting her own survival, working against time, terror and her fear of heights in the mile high city of Denver. Deputy U.S. Marshal Matthew Kirby is the lonesome lawman in charge of finding Dani. Hunting is what the Marshals do best and Matt is their top tracker, but even he hasn't been able to close the law and disorder gap with an elusive killer who's never missed his mark. Until now...
