Von Alistair MacLean : The Last Frontier before purchasing it in order to gage whether or not it would be worth

my time, and all praised The Last Frontier:

Kurzbeschreibung An undercover mission beyond the Iron Curtain to recover a defected scientist goes disastrously wrong a classic early Cold War thriller from the acclaimed master of action and suspense. Michael Reynolds was going insane slowly but inevitably insane. And the most terrible part of it was that he knew it. Since the last forced injection, there had been nothing he could do about the relentless onset of this madness. The more he struggled to ignore the symptoms, the more acutely he became aware of them, the deeper into his mind dug those fiendish chemical claws that were tearing his mind apart. Pressestimmen`Breathless, bloody and detailed.'Daily Telegraph`Swift-moving, with a tremendous climactic scene on the snow-swept roof of a trans-Hungarian express.'Glasgow
