KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quality never gets oldVon BreitiA surprisingly good read, even nowadays. While you may need to search for some of the older vocabulary, it it still an deceptively easy read. Once you'll get into it, there is no way to stop before you're finished. A fascinating, suspenseful book; you'll see very soon why this is one of the absolut masterpieces and

classics - strongly recommended.0 von 0 Kunden fanden die folgende Rezension hilfreich. great and sad storyVon katooeven when the more popular film with D.D.Lewis is totally different, the original story is still great . I liked the details and the tone quite much and yea I have to admit, was alway kind of a Magua fan - he is the bad guy - here even more than in the movie but still! Gives you something to think about.0 von 0 Kunden fanden die folgende Rezension hilfreich. A good readVon Donald WilsonThe last of the Mohicans is a trueblood classic. The language takes some getting into, but it is simply a great reading on holiday somewhere.

The notes are meaningful and very useful to students, yet the way they are indicated in the text is not intrusive. Great job!"--Grace Epstein, Stephens College "[An] excellent inexpensive paperback edition. Much better quality than equivalent volumes. The explanatory notes are a valuable addition."--Jeff Cupp, Troy State University "'Historical Contexts' concise yet thorough. Apparatus generally very satisfying in its relevance and thoroughness."--Fred R. McFadden, Coppin State College "At last, a paperback book under \$4.00! this edition is indeed a "World Classic."--Paul Putt, Lee College "Introductory material and historical notes are helpful."--Dr. Judy L. Martin, Missouri Western State College
